Summary

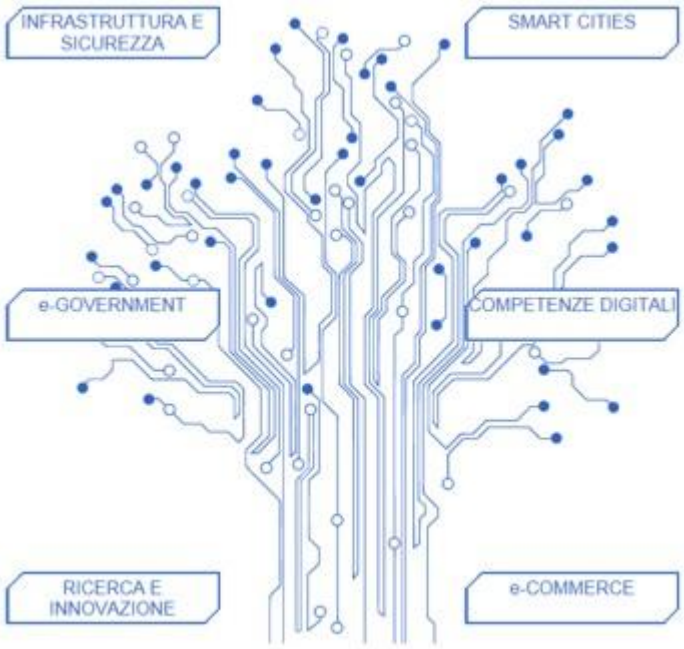
- **Italian Digital Agenda: a (very) brief history**
- **Major impacts on Higher Education Ecosystem**

Digital Agenda in Italy

The Italian Digital Agenda

The Italian Digital Agenda was launched in **2012** following the signing by all member states of the **European Digital Agenda**, submitted by the European Commission in **2010.**

The Digital Agenda is a set of actions and regulations intended to **boost digital technologies**, **innovation** and **economy**.



Agid

Agenzia per l'Italia Digitale

Presidenza del Consiglio dei Ministri

Digital Italy Agency (Agenzia per l'Italia Digitale, AgID) is the government agency in charge of ensuring the achievement of the objectives of the Italian Digital Agenda.

Digital Agenda: Key Topics

- New architectural approach based on **open standards**, **interoperability** and **flexible**, **user-centered** architectures;
- **Transparency** and **public data sharing**;
- New **Public/Private partnerships** models;
- Progressive adoption of **Cloud** models;
- Increasing levels of **reliability** and **security**;
- Development of **digital skills** in citizens and enterprises.

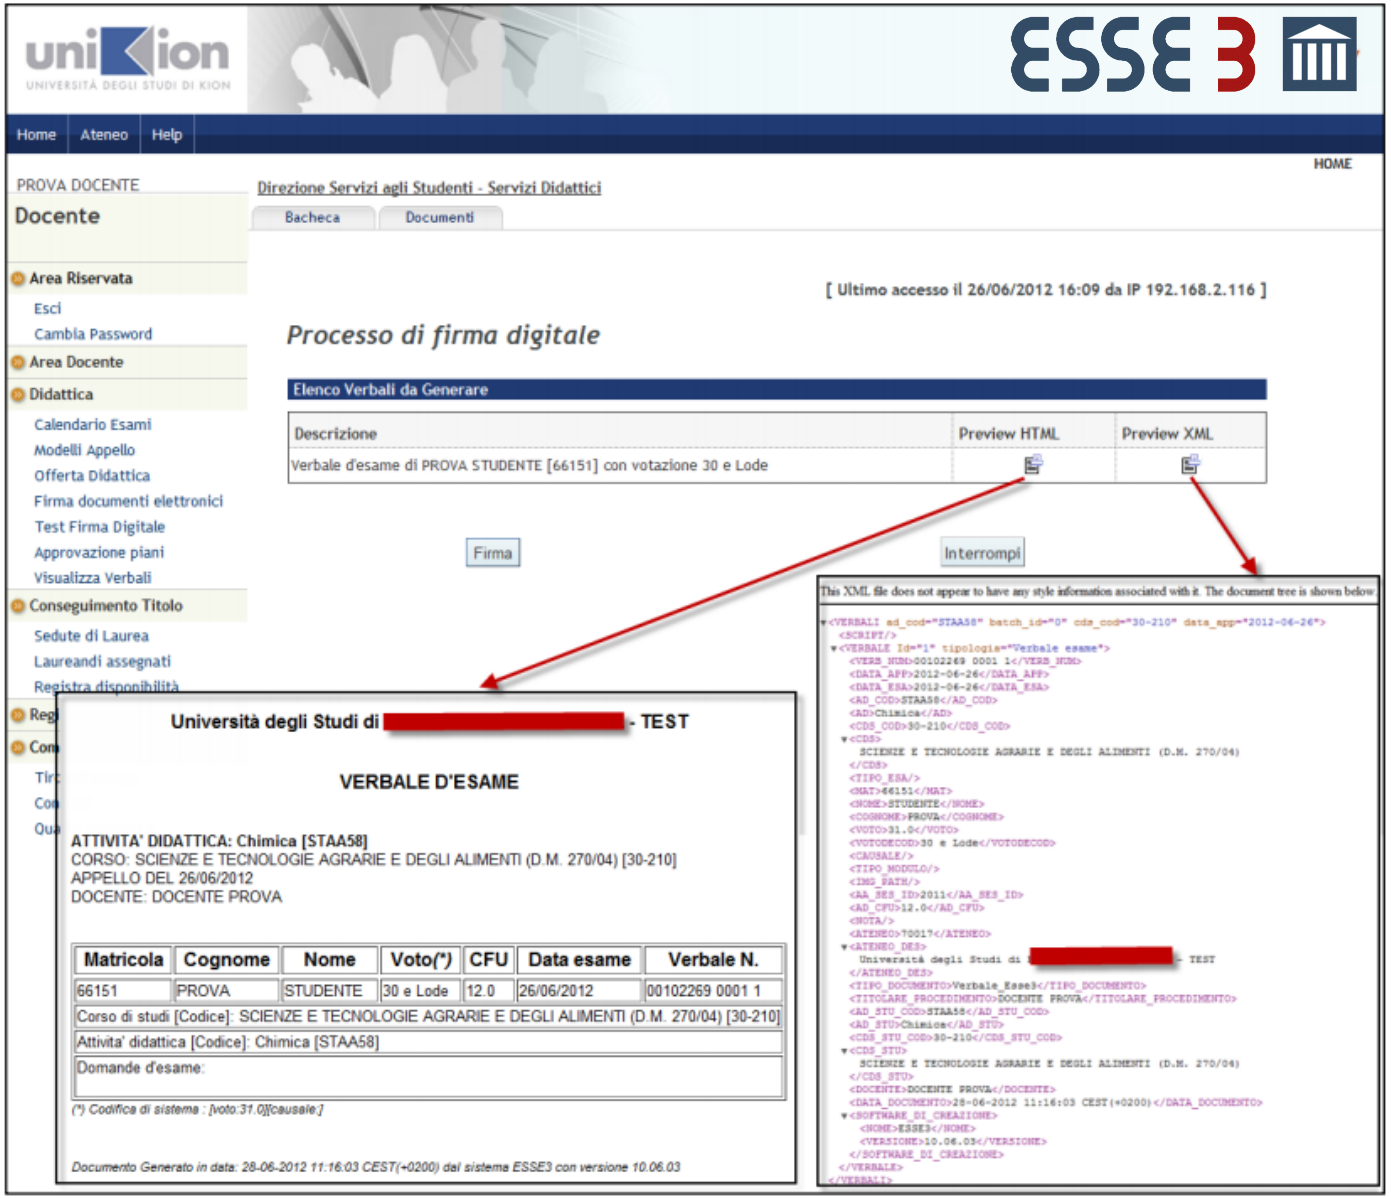
Inpacts on Higher Education Ecosystem

CAD: Digitalization of Administrative Acts

The “no-paper” approach affects all administrative processes.
In particular:

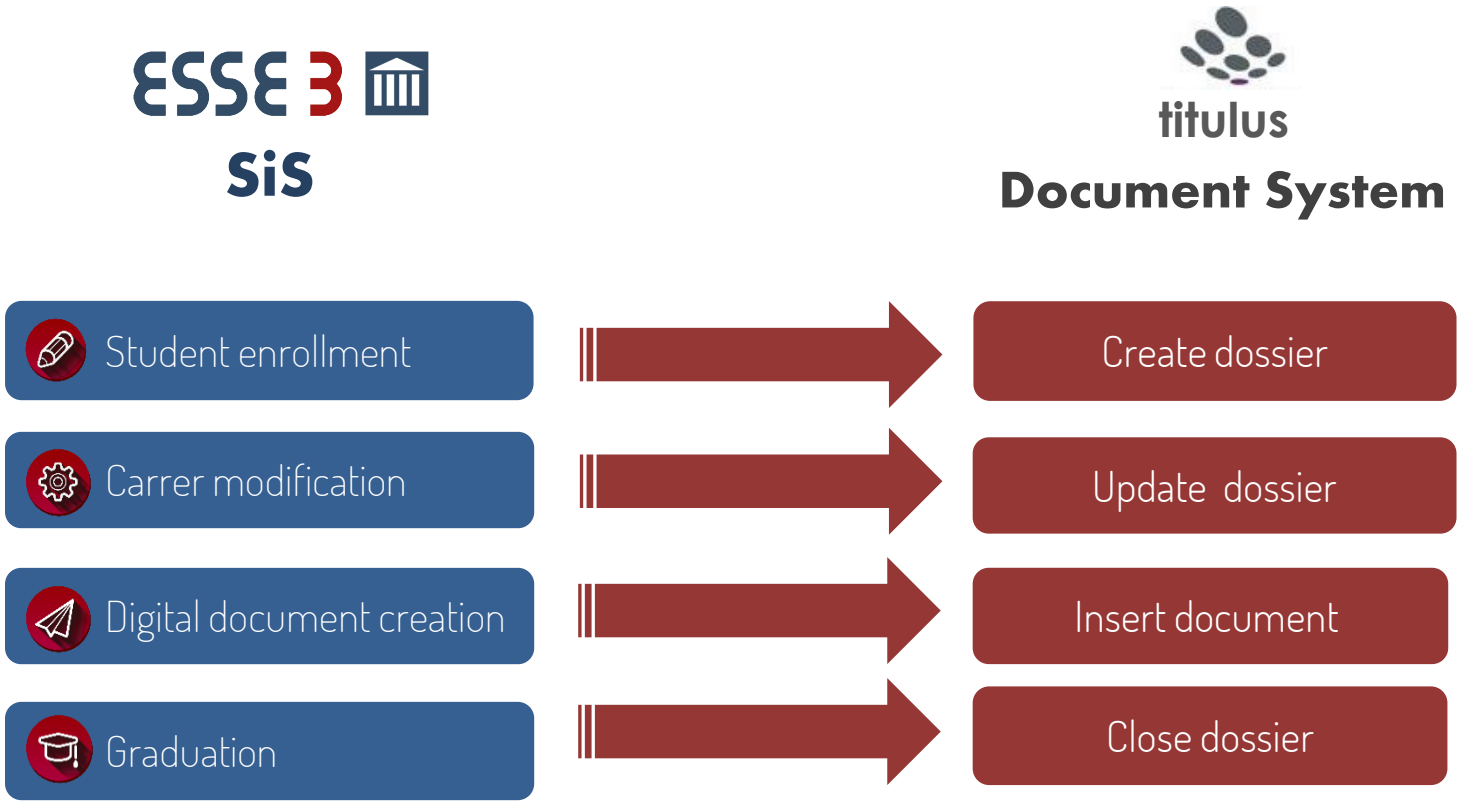
- **Digital signing of exams**
- **Student Digital Dossier**
- **Call for proposals**
- **Thesis repository**

ESSE3: Digital Signing of Exams



TITULUS: Digital Student Dossier

Integration between SIS and Document System → Digital Student File



Digital Student Dossier: Type of Documents

Mandatory
Application
Inbound/outbound transfer
Secondary school certificate confirmation
Course change
Course shortening
Study plan approval
Exams & Recognitions
Diploma Supplement
Loss of student status
Professional qualification certificate
Student contracts

Suggested
Exemption/incentive request
Learning agreement contract
Trascript of records
State exam request

Optional
Course change request
Personal study plan request
Other requests
Graduation application
Transfer request

PICA: Calls for Proposals

Benefits:

- Process Automation
- Dematerialization
- Digital long term preservation of documents (no paper)

Features:

- Responsive, usability, accessibility
- Applicant is guided through the procedure
- Less work for administrative offices
- Examining board can work completely on-line

Piattaforma Integrata
Concorsi Atenei

Type of Calls
